Peacocks, Presidents and Puzzles – The Winter Park Walking Tour
Welcome to one of Florida's best-kept secrets, the enchanting city of Winter Park! First permanently settled in 1858 and chartered in 1887, Winter Park Florida has a rich history as the secret southern destination for many U.S. Presidents, celebrities and wealthy families from the north who escaped the harshness of "winter" for the gentle breezes, palms and pines of a village built along a southern "park". We'll share the fascinating stories of how this quaint town with its European-feel cafes, shops and brick streets came to be, and why it is still an off-the-radar getaway for the rich and famous!

Morse Museum Visit
The Morse Museum houses the world's most comprehensive collection of works by Louis Comfort Tiffany (1848–1933), including the artist and designer's jewelry, pottery, paintings, art glass, leaded-glass lamps and windows; his chapel interior from the 1893 World's Columbian Exposition in Chicago; and art and architectural objects from his Long Island country estate, Laurelton Hall. The Museum's holdings also include American art pottery, late 19th- and early 20th-century American paintings, graphics, and decorative art.
